

Declaration of membership

Dear Members,

We are very pleased that you would like to become a member with us. However, we would like to point out an important regulation regarding membership in SV Diesebach: Membership in the association is a valid contract and is subject to the same conditions as all other contracts concluded within the legal framework. Therefore, our membership also involves a contractual obligation that can only be terminated under certain conditions.

Notice Period and Termination Conditions:

- Membership can only be terminated at the end of a quarter.
- A notice period of 4 weeks before the end of the quarter is required. The termination must be received at least 4 weeks before the end of the quarter.
- If the termination is not made on time, membership will remain valid until the end of the following quarter.
- The membership fee will be charged in the month following the quarter, retroactively for that quarter.

The membership is as valid as any other contract concluded within a legal context. If the termination conditions are not followed, the same consequences as with other contracts (e.g., payment obligations) may apply.

We kindly ask you to consider these regulations to avoid any misunderstandings. If you have any questions, we are happy to assist you.
